ASIA PACIFIC CORPORATE COUNSEL ALLIANCE (APCCA) COVID 19 WEBINAR SERIES

As part of the APCCA webinar series, the Indonesian Corporate Counsel Association (ICCA) and the SCCA brings insights into the COVID-19 pandemic in Indonesia.

Indonesia as the 16th largest economy in the world and largest in Southeast Asia has always been among the top markets of interest for Singapore companies looking to expand overseas. Both countries as part of the ASEAN Free Trade Area, have a double tax agreement that helps increase trade and investment flows. Speakers will address mainly how/what Governments and Authorities have had to implement new temporary measures including Decrees, Act and Regulations to put into effect policies, measures, restrictions, curfews, working from home directions, lockdown and/or circuit breaker – that are dramatically disrupting work and society functions while allowing social distancing and the pandemic to subside.
